The screenshot shows a software window titled "Interactive Physics - [WeightMassAndGravity01.ip]". The interface includes a menu bar (File, Edit, Run, Script, Window, Help) and a toolbar with icons for file operations and a "Run" button. The main simulation area is titled "4.1 Weight and mass". On the left, a spring scale is shown with a circular dial ranging from 0 to 45 Newtons. The dial has major markings every 5 units and minor markings every 1 unit. The needle is positioned at 25. Below the scale is a basket containing several red apples. To the right of the scale, the text "Mass of apples (kg)" is displayed above a horizontal bar with a numerical input field containing "4.00". Below this, the text "Gravity = 9.8 m/sec²" is shown in red, followed by a small input field and the label "newtons". A watermark "Copyright © 2015 - www.p30download.com" is visible across the simulation area.
